Class Overview

Wow! What an exciting and busy time. We are becoming familiar with the classroom, rules, routines, and our new friends. We are having fun with our rhymes, recognizing colors, shapes, letters, cutting and other activities. Please practice these skills with your child. Also, please work with the children to put their coat and backpack on by themselves.

Newsletter & Calendar

The families who signed up for the Remind app will be sent an October newsletter and calendar through the app. If you do not receive a message regarding the newsletter and calendar, please see Ms. Heidi.

High Scope Curriculum

Each month we will post information on HighScope curriculum. Here is the section on Approaches to Learning:

Approaches to Learning

- children demonstrate initiative as they explore their world.
- children make plans and follow through on their intentions
- children's focus on activities that interest them
- children solve problems encountered in play
- children gather information and formulate ideas about their world
- children reflect on their experiences

Scholastic Book Order

October scholastic book orders will be due by Tuesday, October 12th. We have sent home an order form or you could check out the available books online at scholastic.com/bookclubs. Our online class code is H8VPW.

Parent Meeting & Advisory Committee Meeting

Families are invited to our first parent meeting and advisory committee meeting that takes place on Friday, October 15th at 9:30 a.m. virtually. Our topic is fine motor skills (working on strengthening the finger muscles). Each family that attends will receive a free activity packet. We will send out a link to the meeting in Remind.

Halloween Activities

On Thursday, October 28th, children and teachers will be participating in Halloween Activities in the classroom. Children may wear their Halloween costumes to school. The children will pass out their candy to the treat bags we've made in class, sing songs, and do an activity. Please have them wear clothes under the costume so they may change out of their costume.

Happy Halloween Costumes

Even though Halloween is still a few weeks away, many of you are already making costume plans for your children. We would like to suggest that children choose their costumes from positive role models. We recommend book characters, cartoon characters, or great people in history. In school, we teach students to solve problems in a non-violent way. We would rather not see our students dressed as predators or victims of violence. Halloween should be an exciting and fun time for our children. No weapons of any kind will be allowed.

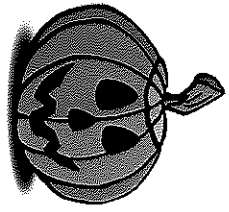

Treat Bags

The children may bring in a wrapped treat to pass out to each child on Thursday, October 28th. **There are 16 children in the class.** We will send these goodies home with them in a decorated treat bag.

Thank You,
Ms. Heidi, Ms. Susanna & Ms. Ann
